The main map displays a detailed urban planning layout for the Bourg-Trégomeur area. It features various colored zones: yellow for residential (UC), green for natural spaces (UE, UAc), and blue for water bodies. Buildings are represented by black icons, and roads by grey lines. The map includes a scale bar at the bottom (0 to 2,000 m) and a north arrow on the left. Specific labels like '1AU', '2AU', 'UE', 'UC', and 'N' are placed throughout the map to identify different zones and features.
