The main map displays a detailed urban planning scheme for the Bourg-Tréguidel area. It features various colored zones: red for UA (Urbanization), yellow for UC (Urbanization Center), and green for UE (Urbanization Edge). The map also shows building footprints, roads, and natural features like water bodies and green spaces. A scale bar at the bottom indicates distances from 0 to 1500 meters. A north arrow is located in the bottom left corner of the map area.
